DUNKLIN COUNTY FAMILY PLANNING

THE PRIMARY OBJECTIVES OF THE FAMILY PLANNING PROGRAM, AT THE DUNKLIN COUNTY HEALTH DEPARTMENT, IS TO:

- **improve maternal and infant health**
- **lower teen & unintended pregnancy rates**
- **provide preventive screenings for cervical cancer**
- **lower the rates of sexually transmitted diseases**

Services are available to men and women who have a decreased ability to obtain family planning services due to inadequate finances or access. Funding is made possible from Title X of the Public Health Service Act and provided without regard to religion, race, or marital status. Title X funded clinics provide services free of charge to clients whose incomes do not exceed 100% of the federal poverty level and are offered on a sliding scale fee for clients with incomes up to 250% of the federal poverty level.
